READY FOR YOUR ADVENTURE

The Volvo V40 Cross Country gives you even more potential for adventure and fun, not least when your thirst for spontaneity takes you off the beaten track. It has the versatility to fit in with your active lifestyle. Yet it has also got the agility to really inject some fun into your driving, and its looks will make you stand out from the crowd.

Rugged design cues and larger wheels

reveal a stylish yet outdoorsy personality – the exterior leaves no doubts about the intentions of this unique Volvo. A higher seating position and a capable chassis deliver what the appearance promises: an agile all-roader that will provide an entertaining drive – wherever your adventures take you.

So this really is a Volvo for people who

don't just talk about adventure, but live it too. For them, the ability to occasionally leave smooth, well-travelled roads behind is essential. For that, you need a tough, durable and stylish partner. And that's really what the V40 Cross Country is all about.

Create your very own V40 Cross Country. Make your choice, and soon you'll enjoy your perfect getaway car.

Parcel shelf net. This handy compartment net helps you to keep smaller items easy accessible under the parcel shelf while keeping the load compartment neat and tidy.

Deco trim, rear. This stylish and robust silver-hued trim with rubber inlays complements other Exterior Styling details while protecting the rear bumper during loading and unloading.

Aluminium Ski Holder. Volvo's aerodynamic aluminum ski holder fits all types of skis and snowboards. Thanks to the ski holder's practical push-button opening, loading and unloading is easy, even with thick ski gloves.

Mud flaps, front and rear. Designed as a natural part of your car's wheel arch, these mud flaps protect the body from mud and flying stones while maintaining the good looks of your Volvo.

Roof load carriers. Blending harmoniously with your Volvo's styling, these aerodynamic load carriers are easily fitted on the roof rails to provide an easy-to-use rooftop carrying system.

Tow bar. This durable and versatile tow bar has been specially designed for use with your Volvo.

Luggage Compartment Mat, Plastic. Specially designed for your Volvo, this stylish plastic mat features a high-friction coating to stop your load sliding around. It also prevents dirt and water from running into the luggage compartment.

Polestar Optimisation Kit. If you'd like to make driving your Volvo even more exhilarating, our Polestar Performance Software is the ideal solution. This Volvo-approved upgrade boosts your power and torque for a truly thrilling ride.

Safety grille. In the event of hard braking, this steel safety grille helps to protect people in the car from heavy, unsecured cargo that could become dangerous projectiles.
