Fuel consumptions and emissions based on European combined cycle.

FREEDOM OF CHOICE, YOUR CHOICE

To ensure you get your new Volvo V40 exactly as you want it, we have created a wide range of options, trim levels and personal expressions. Even if your V40 is generously equipped already as standard,

you may want to enhance the experience even further with Momentum or Momentum trim level. And if you want to indulge your senses in the finest Scandinavian luxury, you'll feel at home with Inscription. Or if

you're in for a more sporty style inside and out for your V40: why not take a look at R-Design? Whatever you prefer, you can rest assured there's a Volvo V40 for you.

Exterior styling kit. Including colour-coordinated side deflectors, rear deflectors striping kit and a sporty rear diffuser with dual tailpipes, our styling kit together with a roof spoiler boosts your Volvo's dynamic elegance.

Roof spoiler. A unique spoiler, with aircraft inspired fins and winglets to enhance the sporty and aerodynamic stance of your Volvo V40.

Rear diffuser with dual tailpipes. Smoothly integrated with the rear bumper, this diffuser enhances the dynamic looks of your V40.

Tow bar. This durable and versatile tow bar has been specially designed for use with your Volvo.

Complete wheels. Midir alloy wheels, 7.5x18", Diamond cut/Glossy black. Four complete wheels including rim and tyre.

Roof load carriers. Blending harmoniously with your Volvo's styling and technology, these specially designed load carriers are easily fitted to provide an easy-to-use rooftop carrying system.

Luggage Compartment Mat, Plastic. Specially designed for your Volvo, this stylish plastic mat features a high-friction coating to stop your load sliding around. It also prevents dirt and water from running into the luggage compartment.

Load organiser mat. Featuring three movable aluminium dividers, this smart organiser mat allows you to keep your items well organised on or under the load compartment floor.

Polestar Performance Parts. Polestar Performance Parts provides a new level of performance for Volvo cars. Polestar Performance Parts - Complete Performance Package includes everything from improvements to the chassis, wheels and tyres, intake and exhaust as well as aerodynamic and interior parts.

Polestar Optimisation Kit. If you'd like to make driving your Volvo even more exhilarating, our Polestar Performance Software is the ideal solution. This Volvo-approved upgrade boosts your power and torque for a truly thrilling ride.
