Complete wheels. Bor alloy wheels, 8x19" Diamond Cut/Matte Black. Four complete wheels including rim and tyre.

Illuminated instep plates. Enter your Volvo in style. Open the front door, and the Volvo logo embedded in the brushed stainless steel footstep lights up to provide a fittingly sophisticated welcome..

Tow bar. This durable and versatile tow bar has been specially designed for use with your Volvo.

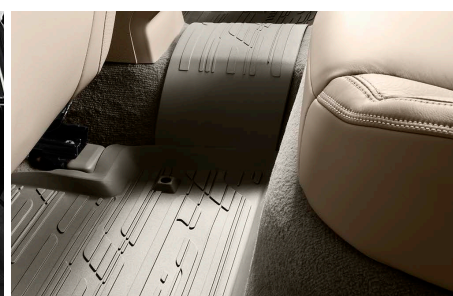

"Space design" roof box. This is a new modern, exclusive and aerodynamic space box that can be opened from both sides and is available in two sizes: 320 litres or 430 litres.

Roof load carriers. These specially designed load carriers fit neatly and securely onto your Volvo's prepared roof rails. They're easy to install and to combine with additional holders if required.

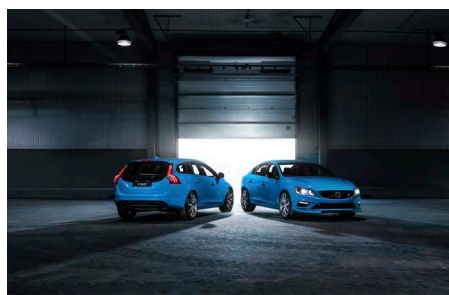

Safety grille. This gas-sprung steel grille helps protect you and your passengers from unsecured loads when braking sharply. When not required, it folds conveniently up against the roof.

Rubber Floor Mats. Made of sturdy natural rubber and sealing tightly against the floor, this fully covering floor mat has raised edges all around and gives effective protection against wet and dirt.

Load Liner. An attractive and practical, moulded plastic load liner specially designed for those transporting large and dirty loads. Moulded load liner made of durable plastic that protects the car's regular mat in the cargo compartment.

Polestar Optimisation Kit. The next generation of Polestar Performance delivers a completely new driving experience. Five key areas of the car has been optimised to deliver enhanced driving dynamics and driver control through faster and more exact responses to your commands. All this with maintained certified fuel consumption and Volvo original warranties.

Tow bar-mounted bicycle holder. Our compact new tow-bar mounted bicycle holder is very easy to use and holds up to two bicycles. When not in use, it's easily stored in your car or at home.
