Exterior styling accessories. Including a front skid plate, side scuff plates and a rear skid plate with dual integrated tailpipes, this styling package reinforces the dynamic elegance of your Volvo. These accessories are available in Matte Silver or Iron Stone finish.

Deco rear bumper. Tough and designed to harmonise with your sportswagon's design, this adhesive strip protects your rear bumper from scuffing during loading and unloading.

Complete wheels. Artio alloy wheels, 8x19", Diamond Cut/Matte Tech Black. Four complete wheels including rim and tyre

"Space design" roof box. This is a new modern, exclusive and aerodynamic space box that can be opened from both sides and is available in two sizes: 320 litres or 430 litres.

Tow bar. This durable and versatile tow bar has been specially designed for use with your Volvo.

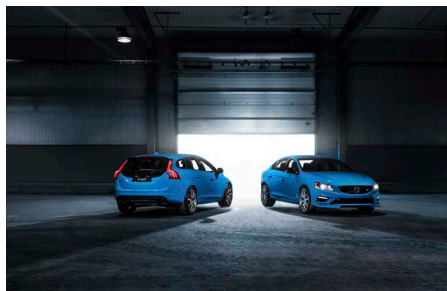

Load compartment divider and dog gate. Used together with the steel safety grille, this divides the load compartment into two sections – convenient if you want to carry your dog and luggage separated.

Safety grille. This gas-sprung steel grille helps protect you and your passengers from unsecured loads when braking sharply. When not required, it folds conveniently up against the roof.

Polestar Performance Parts. Polestar Performance Parts provides a new level of performance for Volvo cars. Polestar Performance Parts - Complete Performance Package includes everything from improvements to the chassis, wheels and tyres, intake and exhaust as well as aerodynamic and interior parts.

Polestar Optimisation Kit. If you'd like to make driving your Volvo even more exhilarating, our Polestar Performance Software is the ideal solution. This Volvo-approved upgrade boosts your power and torque for a truly thrilling ride.

Child seats. We offer a child safety programme with a range of seats for growing children.
