# Urban Kit

With well-judged touches of brushed stainless steel and available in all body colours, the Urban Inscription Exterior Styling kit adds a luxurious sparkle to your XC90. For the sides, the body kit with its wheel arch extensions and Door trims give your XC90 a more muscular appearance. You can have your Urban Inscription Exterior Styling kit in two variants: with side scuff plates or with running boards.

## Exterior Styling kit, colour-coordinated with side scuff plates

This kit includes:

Skid plate, Rear bumper  
Skid plate, Front bumper  
Sill moulding with side scuff plates  
Colour-coordinated body kit, side  
Front decor frames

## Exterior Styling kit, colour-coordinated with running boards

This kit includes:

Skid plate, Rear bumper  
Skid plate, Front bumper  
Running boards, integrated with illumination  
Colour-coordinated body kit, side  
Front decor frames

**Front skidplate.** The Front skid plate in brushed stainless steel and the lower spoiler with mesh detailing give your XC90 a luxurious and dynamic impression.

**Front decor frames.** For that touch of luxury, the Front decor frames feature abundant chrome and mesh.

**Rear skidplate.** The Rear bumper gets an exclusive skid plate in brushed stainless steel and a lower spoiler whose styling and mesh accents give the tail-end of your XC90 a dynamic attitude. The integrated double tailpipes are included and complete the look of elegant power.

## 21" 10-Spoke Turbine Polished aluminium wheels.

High on dynamic elegance, these exclusive 21-inch wheels complement the Urban Inscription Exterior Styling kit.

**Integrated running boards with illumination.** The striking running boards are not only practical: their light strips give you a gentle guiding light when you're entering and exiting at night.

**Side scuff plates.** By accentuating the horizontal, the side scuff plates in brushed stainless steel emphasise the sleekness of the XC90's shape.

# Rugged Kit

With its Matt Tech Black accents, the Rugged Inscription Exterior Styling kit gives your XC90 an assertive, rugged expression all round. On the sides, our body kit has wheel arch extensions and Door trims in Matt Tech Black for that rugged feel. The Rugged Inscription Exterior Styling kit is available in two variants: with side scuff plates or with running boards.

## 21" 10-Spoke Turbine Polished aluminium wheels.

High on dynamic elegance, these exclusive 21-inch wheels complement the Urban Inscription Exterior Styling kit.

**Integrated running boards with illumination.** You can enhance the rugged feel with our eye-catching running boards. They have subtle light strips which guide you as you enter and exit after dark.

**Side scuff plates.** The exclusive sill mouldings with side scuff plates in brushed stainless steel add more SUV attitude and an elegant look.

If you have an active lifestyle, our roof load carriers are a must. They're specially designed to fit neatly and securely into your XC90's mounts and combine with any other holders you might need. No matter which sport you like, our specially designed holders – such as the kayak holder shown here – combine safety with ease of use.

## An extra touch of taste, your taste.

We know that no two Volvo XC90 drivers are alike. And we want to give you the best opportunities to create your very own XC90. That's why we've designed a range of accessories that cater for your

specific taste. Select your favourite styling accessories and combine them as you please. And to support your particular lifestyle and practical needs, our accessory range comprises a wealth of smart and

well-designed solutions. Anything from roof boxes and a semi-electric tow bar, to styling accessories and holders for your sport equipment. The choice is yours – just as it should be.

**Skid plate kit.** Featuring a front and rear skid plate in brushed stainless steel and lower spoilers with mesh detailing, this Skid plate kit gives your XC90 a dynamic and robust impression. From behind, the integrated double tailpipes complete the look of elegant power.

**Integrated running boards with illumination.** These aluminium running boards make it easier to get in the car or load the roof. LED illumination strips add to a cool and high-tech appearance.

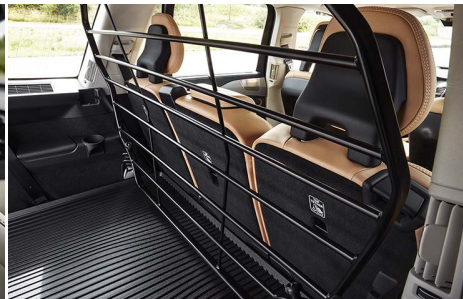

**22" 6-Double Spoke Matte Tech Black/Diamond Cut aluminium wheels.** Together with fender extensions, these distinctive wheels reflect the rugged yet elegant character of your XC90. Complete with Pirelli Scorpion Verde tyres.

**Bumper protection.** This exclusive bumper protection in brushed stainless steel helps you avoid scratching the paint when loading and unloading the load compartment.

**iPad holder.** Take your iPad® to the car and enjoy its functions and apps when travelling. The cradle allows charging via USB cable. It is also possible to charge a phone at the same time.

**Steel grille.** If you have to brake sharply this steel grille helps protect your passengers from unsecured loads. A load compartment divider and dog gate can be added.

**Load compartment mat, plastic.** This durable, colour-matched mat prevents dirt and water from running into the load compartment. A high-friction coating prevents the load from sliding around.

**Semi-electric, retractable tow bar.** Folding out at a press of a button, this tow bar is ready for action when you are. Rest of the time it's elegantly hidden beneath the rear bumper.

**Roof load carriers.** The load carrier is easily fitted directly onto the rails. This makes attaching Volvo's load-carrying accessories quick and easy.

**Tow bar-mounted bicycle holder.** Our compact new tow-bar mounted bicycle holder is very easy to use and holds up to two bicycles. When not in use, it's easily stored in your car or at home.
